

August 15, 1972

[REDACTED]

[REDACTED]

Your claim for compensation has been carefully considered based upon all the evidence of record, including a review of your service records. We have determined that the conditions under which you were discharged from service preclude the payment of VA benefits. Accordingly, your claim is disallowed.

We are sorry the evidence does not permit a more favorable reply.

J. B. TAYLOR
Adjudication Officer
